LEGREST ADJUSTMENT

Large angle and wide range of adjustments to cope with a wide range of people

A woman with brown hair tied back is sitting in a modern, adjustable medical chair. The chair has a pink upholstered seat and backrest, and a white frame. The legrest is extended forward and slightly upward. The woman is wearing a light-colored long-sleeved shirt and tan trousers. She is looking towards the right side of the frame. In the background, there is a medical monitor on a stand displaying a blue-tinted image, and a metal cart with various medical supplies. The floor is a light-colored, reflective surface.

MAX LOAD 150 KG
